Hiring Manager
Ektova

Dear Hiring Manager,

I am writing to express my strong interest in the **Junior Software Developer** position at **Ektova**. As a dedicated Full Stack Developer with a strong foundation in modern web technologies, I am eager to bring my technical expertise and problem-solving skills to your team.

updated the script to save both PDF filenames into the 4th column of your Google Sheet so you know exactly what files were generated for that application. If you want them in separate columns, you will need to add a column to your Google Sheet and update the row_data array accordingly.END updated the script to save both PDF filenames into the 4th column of your Google Sheet so you know exactly what files were generated for that application. If you want them in separate columns, you will need to add a column to your Google Sheet and update the row_data array accordingly.

I have attached my resume for your review, which further details my technical background and project experience. I would welcome the opportunity to discuss how my skills and experiences align with the needs of Ektova. Thank you for your time and consideration.

Sincerely,

Abdullah Muhammad Siam
